The County recognizes the Union as the exclusive bargaining representative of all regular, probationary, provisional, temporary and term-limited temporary employees in DES (FMD, FBOD, Airport, RALS), DNRP (DO, Parks, SWD, WLRD) and DLS (Permitting and Roads) whose job classifications are listed in the attached Addendum “A”. In recognizing the Union as the exclusive bargaining representative, the County agrees that it will not affect any change in the mandatory subjects of bargaining including but not limited to working conditions, wages, or fringe benefits except by mutual agreement with the Union or in accordance with this Agreement or in accordance with RCW 41.56.

3.2. The County will transmit to the Union, upon written request but not to exceed twice a year, a current listing of all employees in the bargaining units. Such list shall indicate the name of the employee, position status, job classification, bargaining unit seniority date, department and/or unit.

1 **ARTICLE 4: GENERAL PROVISIONS**

2 **4.1. Rights of Management:** It is recognized that the County retains the right to manage the
3 affairs of the County and to direct the work force. Such functions of the County include, but are not
4 limited to, determining the mission, budget, organization, number of employees, and internal security
5 practices of the Department; recruiting, examining, evaluating, promoting, training, transferring
6 employees, and determining the time and methods of such action; disciplining, suspending, demoting,
7 or dismissing regular employees for just cause; assigning and directing the work force; developing
8 and modifying class specifications; determining the method, materials, and tools to accomplish the
9 work; designating duty stations and assigning employees to those duty stations; establishing
10 reasonable work rules; assigning the hours of work; and taking whatever actions may be necessary to
11 carry out the Department’s mission in case of emergency.

12 **4.2. Work Stoppages and Employer Protections:** The County and the Union agree that the
13 public interest requires efficient and uninterrupted performance of all County services and to this end
14 pledge their best efforts to avoid or eliminate any conduct contrary to this objective. Specifically, the
15 Union shall not cause or condone any work stoppage, including any strike slowdown, or refusal to
16 perform any customarily assigned duties, sick leave absence which is not bona fide, or other
17 interference with County functions by employees under this Agreement, and should same occur, the
18 Union agrees to take appropriate steps to end such interference. Any concerted action by any
19 employees in the Union shall be deemed a work stoppage if any of the above activities have occurred.

20 **4.2.1.** Any employee participating in such work stoppage or in other ways committing
21 an act prohibited in this article shall be considered absent without authorized leave and shall be
22 considered to have resigned.

23 **4.2.2.** No represented employee of this bargaining unit shall be required to cross a
24 legal picket line sanctioned by the King County Labor Council (this section does not apply to
25 informational pickets). This section shall not apply in situations that pose an imminent threat to
26 structures or human health and/or safety. An employee encountering a picket line during the course
27 of their duties shall contact their supervisor for work instructions.

28 **4.3. Waiver Clause:** The parties acknowledge that each has had the unlimited right within

1 the law and the opportunity to make demands and proposals with respect to any matter deemed a
2 proper subject for collective bargaining. The results of this exercise of that right and opportunity are
3 set forth in this Agreement. Therefore, the County and the Union, for the duration of this Agreement,
4 each agree to waive the right to oblige the other party to bargain with respect to any subject or matter
5 not specifically referred to or covered in this Agreement. However, if the parties agree to bargain
6 during the term of this Agreement, amendments and modifications to this Agreement may be made
7 by mutual agreement of the Labor Negotiator/designee and the Union Representative who is subject
8 to the Union's internal constitutional processes.

9 **4.4. Training:** The County recognizes the mutual benefit to be attained by affording training
10 opportunities to employees and shall provide information and access to training opportunities for its
11 employees, within budgeted appropriations. The training opportunities shall be guided by, but not
12 limited to, the overall objectives of encouraging and motivating employees to improve their personal
13 capabilities in performance of specific tasks. All employees shall have equal access to training
14 opportunities.

15 **4.5. Drug Free Workplace:** The Union agrees to comply with all applicable Federal, State
16 and County regulations and ordinances with regard to the drug free workplace.

17 **4.6. Performance Evaluations:** The purpose of an annual performance evaluation shall be
18 to notify employees of performance expectations and of the supervisor's evaluation of the employee's
19 performance relative to those expectations. Any employee submitted documentation in relation to the
20 performance evaluation will be maintained as a permanent addendum to the performance evaluation.

21 Performance evaluations shall not be used for discipline, however they may be used to show
22 that an employee has been notified of any concerns regarding their performance.

23 An employee may appeal a performance evaluation consistent with the Performance
24 Evaluation article of the 2005 King County Personnel Guidelines. Section 15.3 of the 2005
25 Guidelines specifically states:

26 "Appeal of a Regular Employee Performance Appraisal

2 The employee should prepare a written request, which includes the following elements:

- 3 • Identify the appraisal by date, the name of the evaluator, and the date the appraisal
- 4 was received.

- 6 • State the ratings or comments the employee believes should be made on the
- 7 appraisal.
- 8 • Give facts substantiating each change requested.

- 10 Department) Director.

11 **B.** Upon receiving the request, the Division (or Department) Director will have 15
12 calendar days to meet with the employee. The Division (or Department) Director will either sustain
13 or change the performance appraisal and notify the employee of the decision in writing. In case of a
14 change to the appraisal, a copy of the revised appraisal is to be included with the decision.

15 **C.** In the event that the issue is not resolved by the Division Director, the employee
16 may, within 15 calendar days of the meeting with the Division Director, meet with the Department
17 Director, who will notify the employee of the decision in writing. The Department Director’s

11 accommodates recurring periods of leave than the regular position of the employee.

12 **7.3. Provider Certification:** The manager/designee and employee is responsible for the

22 Leave during the calendar year and shall be eligible for a maximum of an additional seven (7) days of

2 a part-time schedule will receive overtime after forty (40) hours in one (1) FLSA workweek,
3 exclusive of lunch period.

4 **9.5** The contractual overtime rate for each overtime hour worked shall be one and one-
5 half times the combined amount of the employee's hourly base rate of pay and any applicable pay
6 premiums in effect at the time the overtime is worked (known as time and one half). If the FLSA
7 requires a higher rate of pay for any overtime hours worked, the employee shall be paid the higher

19 actual time worked.

24 Department/Division Director or Designee. The assignment shall be in accordance with department
25 standards and the County's Take Home Vehicle policy. Department/Division standards will be
26 reviewed annually and are subject to updating following the review. The Union will be notified of
27 any change to the Department/Division standards.

28 **11.4.** The employee shall be notified of any change in vehicle assignment fourteen (14) days

1 prior to the implementation.

2 **11.5.** Compensation for hourly employees with assigned vehicles will be in accordance with
3 the applicable FLSA rules and regulations.

4 **11.6.** Employees with take-home privileges are required to submit any reports or other
5 documents required by the County when requested.

6 **11.7.** The assignment of vehicles and/or take-home privilege shall be reviewed at least
7 annually or more often depending on business needs. For example, seasonal duties, light duty,
8 change in assignment, etc.

9

10 **ARTICLE 12: EMPLOYEE RIGHTS**

11 **12.1.** The off-duty activities of employees shall not be cause for disciplinary action unless
12 said activities are detrimental to the employee’s work performance or the program of the agency.

13 **12.2.** If the County determines to bring disciplinary action against an employee, the employee
14 shall be apprised of his/her rights of appeal and representation as provided for in the Grievance
15 Procedure of this Agreement.

16 **12.3.** The County may issue a written reprimand, suspend, demote, or discharge a regular
17 employee for just cause.

18 **12.4.** Counseling and warnings whether issued in writing or given orally are considered
19 notice, not discipline, and will not be used for determining progressive discipline.

20 **12.5.** Employees hired into regular positions will serve at least a six (6) month probation
21 period. The probation period may be extended by the manager/designee at their discretion, not to
22 exceed one (1) year. The probation period may also be waived by the manager/designee at their
23 discretion. Probation for employees who are placed in lieu of layoff or who bump in lieu of layoff
24 will be governed by both this section as well as Article 15 which provides that an employee who is
25 placed or bumps into another position in lieu of layoff after receiving a layoff notice, is subject to
26 probation as may be required by Career Service Rules, however, the “at will” element of probation is
27 not applicable to such employees. If it is determined during the probationary period that the
28 employee is not qualified or cannot perform in a satisfactory manner, the employee will be

1 transferred or laid off and referred back to Career Support Services.

2
3 **ARTICLE 13: TEMPORARY EMPLOYEES**

4 **13.1.** The duration of King County temporary employee assignments will be administered in
5 accordance with the King County Code and 2005 King County Personnel Guidelines. KCC 3.12.010
6 provides that short term temporary employees shall be limited to 910 hours in a rolling calendar year
7 in work units in which a thirty five hour work week is standard, or be limited to 1040 hours in a
8 rolling calendar year in work units in which a forty hour work week is standard.

9 **13.2.** Individuals offered short-term temporary or term-limited temporary employment shall
10 meet the same pre-employment standards as applicants for regular employment. A copy of the
11 standards used shall be provided, upon request, to the Union.

12 **13.3.** If the short-term temporary or term-limited temporary employee subsequently receives
13 regular employment in the same classification, the probationary period, or part thereof, may be
14 waived by the manager/designee.

15 **13.4.** Where the Agreement is silent, short-term temporary and term-limited temporary
16 employees are governed by provisions of the King County Code, as modified.

17 **13.5.** The County performs an annual review of short-term and term-limited temporary
18 employee usage called the Body of Work Review. Upon request, the County will meet with the
19 Union to discuss the results of the review and provide any relevant documentation.

20
21 **ARTICLE 14: UNION REPRESENTATION**

22 **14.1.** Authorized representatives of the Union may, after notifying the onsite supervisor and
23 Division HR, visit the work location of employees covered by this Agreement at any reasonable time
24 for the purpose of investigating grievances.

25 **14.2.** The Union Executive Director and/or Representative shall have the right to appoint a
26 steward at any location where represented employees are employed under the terms of this
27 Agreement. The Union will furnish the County’s Labor Negotiator and Division HR with the names
28 of stewards when appointed. The steward shall be allowed reasonable time to perform steward duties

1 during regular working hours.

2 **14.3.** Union stewards or other County employees representing union interests during
3 Appendix negotiations are authorized to meet with County management during the working hours
4 without loss of pay but shall not be eligible for overtime for such activities. The Union will limit its
5 representation to two (2) County employees from DLS Permitting, DNRP, DLS Roads and one (1)
6 County employee from DES, during Appendix negotiations held on County time, except where
7 through mutual agreement it is deemed to be in the best interests of the parties to exceed such limit.

8 **14.4.** Where allowable, the County shall make available to the Union any meeting space,
9 rooms, etc., for the purpose of conducting Union business, where such activities would not interfere
10 with the normal work of the department, provided however, the Union may not hold mass meetings
11 in such facilities.

12 **14.5.** Written policies, rules, or directives affecting the terms and conditions of this
13 Agreement shall be provided to the Union upon request.

14

15 **ARTICLE 15: REDUCTION IN FORCE/SENIORITY**

16 **DEFINITIONS:**

17 **a. Seniority:** Bargaining unit seniority shall be defined as the total service with King
18 County in the bargaining unit. Effective upon implementation of this agreement, seniority accrual
19 will be adjusted when in a non-pay status for more than thirty (30) consecutive days. For time in a
20 non-pay status exceeding thirty (30) days, the adjustment will include the initial thirty (30) days.
21 Employees working a part-time schedule will receive prorated seniority based on the full-time work
22 schedule in the work unit, as defined in Article 10.1. An employee who leaves County employment
23 for more than five (5) years will lose all accrued seniority. An employee who has left the bargaining
24 unit for any duration but remains in County employment will be credited for prior service in the
25 bargaining unit, including time spent as an FTE, TLT, or Short-Term temporary employee, if rehired
26 into a bargaining unit position. An employee who has not completed their probationary period in a
27 bargaining unit classification will be included on the seniority list in the last bargaining unit
28 classification in which the employee previously held regular status, if any. In the event there are two

1 (2) employees having the same bargaining unit seniority, the County will consider ability and skill to
2 be the determining factor on retention.

3 **15.1. Pre-Layoff Process:**

4 **a. Reassignment:** The County will conduct a process of reassigning employees to
5 occupied or vacant positions for the purpose of attempting to layoff the least senior employee in the
6 classification slated for reduction. Employees who are reassigned to occupied or vacant positions
7 within their respective Division will not be required to serve a probation period. Employees who are
8 similarly reassigned to occupied or vacant position outside their division may be required to serve a
9 probationary period as provided under Article 12 of this agreement. However, employees may refuse
10 reassignment outside of their Division and consequently may elect to be laid off or exercise any
11 bumping rights pursuant to the terms of this agreement. This management directed process is not
12 grievable.

13 **b. Mitigation:** The County and the Union shall jointly endeavor to find ways to
14 minimize and/or mitigate the number of employees who must be laid off (e.g., look for other non-
15 staff related cost savings, voluntary reassignment, reassign employees to vacant positions, temporary
16 placement in other departments, or consider leaves of absence.)

17 **15.2. Notice to Union and Affected Employees:**

18 **a.** When a reduction in force is anticipated for career service positions, the County will
19 notify the Union Representative at least five (5) calendar days prior to layoff notices being presented
20 to the affected employee(s). The notice will include the name of the division(s), classification(s), and
21 employee(s) identified for layoff.

22 **b.** When layoffs are anticipated during the regular budget process, the County will notify
23 the Union and affected employees in writing at least sixty (60) calendar days in advance of any
24 anticipated layoff. This provision only applies to initial notification and does not apply to subsequent
25 layoff due to bumping. Those subsequent layoffs will receive a minimum thirty (30) day notice.

26 **c.** In the event the County has a legitimate business reason for doing so, the initial notice
27 requirement can be reduced to a minimum of thirty (30) days in advance of the anticipated layoff.

28 The County shall provide written notice to the Union of their legitimate business reason. The

1 shortened time frame for notification shall serve as an exception and shall be used sparingly.

2 **15.3. Bumping:** Bumping shall not result in a promotion. An employee will have five (5)
3 working days from the time of written notification of layoff to notify the County of their intent to
4 exercise their bumping rights. The employee’s written notice must include the classification(s)
5 within their classification series listed by preference, in which the employee proposes to bump. An
6 employee will forfeit their bumping rights if the written notice is not submitted within five (5)
7 working days or the County has not accepted a late filing of the notice. The County will, if it
8 determines that there are warranting circumstances, accept a late-filed notice from an employee

9 **15.3.1. Qualified to Bump:** The County shall make a reasonable and rational
10 determination in deciding whether or not an employee is qualified to bump into another position and
11 whether the employee can achieve a satisfactory level of job performance within the probationary
12 period. If the employee is deemed not qualified to bump the County shall provide the
13 employee/Union with written notice and documentation of the reasons and rationale for that
14 determination.

15 **15.3.2. Bump Options:** The following are the options to be considered, in order, for
16 a laid off employee:

17 **15.3.2.1.** If an employee’s adjusted seniority date in the bargaining unit is before
18 January 1, 1986, the employee shall elect to bump the least senior bargaining unit employee in their
19 division and classification for which they are qualified. If the employee is unable to bump within
20 their division, the employee may then elect to bump the least senior bargaining unit employee in the
21 bumping employee’s classification for which they are qualified. If the employee is unable to bump
22 into their classification as described above, the employee may then elect to bump the least senior
23 employee in their same classification series in the same division for which the employee is qualified.
24 If the employee is unable to bump within the division, the employee may then elect to bump the least
25 senior bargaining unit employee in their classification series for which the employee is qualified.
26 The employee may decline to bump across divisions and elect to bump under Sections 15.3.2.2-4 or
27 be laid-off.
28

1 If an employee's bargaining unit seniority date in the bargaining unit is after January 1, 1986,
2 they may:

3 **15.3.2.2.** Bump the least senior bargaining unit employee within the same
4 division and classification for which the employee is qualified.

5 **15.3.2.3.** Bump the least senior bargaining unit employee within the same
6 division into a lower paying classification in their same classification series for which the employee
7 is qualified.

8 **15.3.2.4.** Bump the least senior bargaining unit employee within the same
9 division into a lower paying classification the employee has previously passed probation in and for
10 which the employee is qualified.

11 **15.3.2.5.** Bump the least senior bargaining unit employee within the same
12 division into a lateral classification (one that has the same rate of pay) for which the employee is
13 qualified and has previously served a probationary period or had probation waived by the County or a
14 classification directly derived from the same pre-class/comp project classification at the same or
15 lower rate of pay.

16 **15.3.3. Continued Employment:** An employee identified for layoff will retain
17 employment with the County at their current rate of pay until the County has completed the bumping
18 process. In the event a grievance has been filed pertaining to the layoff process, the employee will
19 retain employment with the County at their current rate of pay until the grievance process has
20 concluded and a final determination, pursuant to Article 15.4 below, has been made.

21 **15.4. Reduction in Force Grievance Process:** In the event the Union disputes the County's
22 determination of an employee's qualifications to bump or be recalled into another position, the Union
23 may file a grievance using the following process. The Union will have five (5) working days from
24 notice of the County's determination to file a grievance with the Division Director. The Division will
25 have ten (10) working days to conduct a meeting with the Union and respond to the grievance. If
26 necessary, the grievance may be elevated to the Office of Labor Relations, which will have ten (10)
27 working days to make a final determination. The final determination is not arbitrable by either the
28 Union or the County.

1 **15.5. Recall:** An employee who is laid off will have recall rights to their previous
 2 classification for two (2) years from the date of layoff, if qualified. An employee retains their recall
 3 rights even if the employee accepts another classification or temporary position with the County.
 4 Recall will be by seniority where the most senior employee in the classification series will be recalled
 5 first. An employee who is laid off shall have one (1) opportunity to refuse a recall in their
 6 classification, except if the employee is recalled to their previous position, in which case a first
 7 refusal will terminate the employee’s recall rights.

8 **15.5.1. Notice of Recall:** An employee will have ten (10) calendar days from the date
 9 the notice of recall is sent by certified mail in which to notify the County of whether the employee
 10 will accept the position. The County will consider the employee’s failure to notify the County within
 11 ten (10) calendar days as a refusal. The County will, if it determines that there are warranting
 12 circumstances, accept a late-filed notice from an employee. Notices will be in writing. It is the
 13 employee’s responsibility to keep the County informed of their current address.

14 **15.5.2. Recall for Temporary Work:** The County will use bargaining unit
 15 employees, in order of seniority, who are on the recall list to perform temporary bargaining unit work
 16 in their classification series before employing anyone else, provided the employee is qualified to
 17 perform the work. An employee on the recall list who is offered the work may decline the temporary
 18 work without jeopardizing their recall rights under this section.

19 **15.6. Reinstatement:** An employee recalled within two (2) years from the time of layoff
 20 will have their vacation leave accrual rate and any forfeited sick leave accruals restored.

21
 22 **ARTICLE 16: TRANSFER/RE-EMPLOYMENT**

23 **16.1.** Any regular employee who is promoted or laterally transfers to positions with the
 24 bargaining unit and does not successfully complete the probationary period for that position, shall
 25 have rights back to a vacant position in their former classification or class series, if qualified. If the
 26 employee is not qualified, the employee will be placed on the recall list and in the Priority Placement
 27 Program.

28 **16.1.1.** Prior to the initiation of any competitive process to fill a vacant bargaining

1 unit position, regular employees of the bargaining unit holding the same classification as that of the
2 vacant position shall be given the opportunity to make a lateral transfer to the vacant position. Such
3 lateral transfers shall be accomplished pursuant to the following procedure:

4 **16.1.1.1.** Notification of the vacancy shall be provided to all regular
5 bargaining unit employees whose classification is the same as that of the vacant position and thus
6 eligible for lateral transfer considerations. Additional eligibility will be granted to bargaining unit
7 employees who are at the same pay rate, same classification, or higher pay rate of a classification
8 previously held pre-classification/compensation implementation. Notification to bargaining unit
9 employees will be via the King County Jobs website .

10 **16.1.1.2.** Eligible regular employees expressing interest in a lateral transfer
11 shall be interviewed by the manager/designee.

12 **16.1.1.3.** Interested eligible regular employees who are not selected though the
13 lateral transfer process may notify the hiring authority/designee in writing that they wish to be
14 included in the competitive examination process for that position. The notification by the employee
15 must be made within three (3) working days after notification of not being selected as a lateral
16 transfer to the individual designated by the hiring department and shall not be bound by any
17 otherwise applicable application deadline.

18 **16.1.1.4.** If none of the interested eligible regular employees are selected for
19 lateral transfer, the position will be filled through the County’s hiring processes.

20 **16.2.** Nothing in this Agreement restricts the manager/designee from transferring an
21 employee to another work unit in the department to meet business needs.

22
23 **ARTICLE 17: UNFAIR LABOR PRACTICE NOTICE**

24 The County and the Union agree that thirty (30) calendar days prior to filing a ULP
25 complaint with PERC, the complaining party will notify the other party, in writing, meet, and make a
26 good faith attempt to resolve the concerns unless the deadline for filing with PERC would otherwise
27 pass or the complaining party is seeking a temporary restraining order as relief for the alleged Unfair
28 Labor Practice.

**MEMORANDUM OF AGREEMENT
BY AND BETWEEN
KING COUNTY
AND
KING COUNTY COALITION OF UNIONS**

Subject: GreenWhereWeWork (GWWW) Initiative

On June 19, 2020, the King County Department of Natural Resources and Parks (DNRP) announced the GWWW initiative which will permanently establish work-from-home as the primary employee office workspace, replacing, in part, a centrally-located employer-provided office space. This agreement memorialized the Parties' bargaining regarding the effects of this change.

The GWWW Initiative is guided by principles that are closely aligned with the mission, vision and goals of DNRP, the Equity and Social Justice Strategic Plan as well the King County True North and Values. The Department shall make every effort to ensure that the administration of teleworking does not result in an inequitable impact for employees who are part of communities that have historically been at an economic disadvantage and/or those employees who are more economically impacted as a result of classification, position type, tenure, etc. The Parties agree to jointly facilitate this effort and the topic of equity will be a standing agenda item for Labor Management Committee meetings.

All terms and provisions of the existing Collective Bargaining Agreements shall continue to apply unless specifically modified by the agreements set forth as follows:

AGREEMENTS:

1. WORKING CONDITIONS:

A. Telework Status: Teleworking is mandatory for positions identified by DNRP. However, waivers (temporary and permanent) may be requested in writing.

B. Processing Waiver Requests: The County will respond to requests for waivers in writing and requests will not be unreasonably denied. Decisions to deny the request will state the reasons for the decision based on balancing operational needs and the productivity and business needs of the employee.

C. Alternative Work/Flexible Schedules: Employees may request and the Department may approve alternative or flexible work schedules. No employee shall be prohibited from having access to an alternative work schedule or flexible schedule due to their telecommuting status.

D. Reasonable Accommodation: Employees whose condition requires reasonable accommodation will work with Disability Services for determination and procurement of necessary accommodations.

E. Workers Compensation: Employees who telecommute are responsible for

working safely and will work with Safety and Claims Management to process a worker's compensation claim for work-related occupational diseases or injuries while telecommuting.

2. HOME OFFICE EXPENSES: For DNRP employees on a mandatory telework assignment, the Parties agree to the following:

A. Teleworking Expenses:

1. Employees in need of basic office supplies will follow their normal process of requesting supplies. Normally supplies will be ordered through County procurement processes with supervisor approval and shipped to the employee's home.

2. General office supply expenses that have been approved in advance by the employee's supervisor, which cannot be procured through normal County processes, may be eligible for reimbursement. Such purchases must be pre-approved, documented, and reported for reimbursement to the County.

3. Additional equipment that an employee needs for their home workspace requires the approval of the department director, or their designee.

B. Technology support:

1. The County will supply necessary IT equipment and job-related tools. In the event the County is temporarily, or on a long-term basis, unable to supply necessary IT equipment and job-related tools, employees may be required to work on site as determined by the department to perform duties which require specialized equipment.

2. Employees who do not have adequate internet access from their telework location may request a wireless internet connectivity solution.

3. The County will provide routine maintenance and repairs for County equipment if the equipment is returned to a designated worksite.

3. REOPENER: During the term of this Agreement, the County may propose modifications to the working conditions and/or establish new policies that affect telecommuting conditions, provided that advance written notice is given to the Union, except in cases of emergency, and the Union shall be provided the opportunity to bargain the impacts or decision, to the extent required by law.

4. DEFERRAL: To the extent that components of the GWWW Initiative impact bargaining conflicted and/or are more appropriately discussed as a matter of negotiations over the Coalition Labor Agreement (CLA), its Appendices, or any other existing CBA, the Parties mutually agree to defer such matters to other bargaining tables, such as:

A. Decisions and appeals of waiver requests.

B. Job postings.

C. Spending limits and reimbursable expenses.

D. Monthly telework stipend.

5. **ORDER OF PRECEDENCE:** Should the County sign any agreements with the King County Coalition of Unions that address the same topics bargained within this Agreement, the agreement with the Coalition of Labor Unions shall supersede and take precedence over this Agreement.

6. **DURATION:** This Agreement expires on the expiration of the CLA and will expire in its entirety unless incorporated into the successor CBA.

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, King County Sub Account - Office of Labor Relations (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
