

# WE are the future of work

## Interim Bargaining

AFSCME 189 and PROTEC17 are joining forces to negotiate with the City on their “Future of Work” policies. Do you have a story to tell? Have you been working remote, working hybrid, or full-time in person? We are bargaining for ALL of our members -- it’s our chance to tell the City what working should look like in the modern workplace. What needs to change? How can you be supported, empowered, and compensated?

Please reach out to one of the members on your respective team and share YOUR story. Your personal experiences are the most POWERFUL testimonials at the bargaining table, and help inform your bargaining team of what’s most important to you.
