

Strike Readiness Checklist!

Make sure we have your personal phone number and personal email on file! You can update your information at: protec17.org/contact-info-update/

Do NOT rely on City email, Teams, voicemail, or City devices for strike information. Similarly, do NOT use City equipment, phones, vehicles, emails, Teams, or other City systems for strike activity.

Save personal copies of important employment information before system access is limited.

Remove personal items you may need from your desk, locker, vehicle, or workstation.

Talk with a PROTEC17 staff member if you are on probation, medical leave, FML, a planned vacation, or have another special circumstance.

Make a personal financial plan for missed pay.

Know when and where to report for picket lines, rallies, or strike assignments.

Check only official PROTEC17 updates. Do NOT act on rumors.

Contact us immediately if you experience threats, discipline, pressure, or retaliation.
